

Thank you for your interest in a Palace Community Theatre Scan Card. The scan cards are essentially debit cards only usable at the Palace Theatre. You preload your card and then every time you go to the movie and use your card we will deduct the amount from your balance. When your balance drops to \$5 or below, we will try to notify you by mail. If your balance drops below -\$24, we will not allow you to use the card until payment is made. Scan cards are very convenient and are actually cheaper than using cash. When using a scan card, you receive \$1 off each ticket!

Please neatly complete the form below and mail with payment to:
